CAP making it affordable

As per our election promise we are working to make CAP affordable. So help us to help you!!

It would be appreciated if member associations could organize and send registrations as a group, because for each bank wire received to the CAP \$US account; there is a \$30US bank charge. Alternately, bank drafts may be mailed to the secretary treasurer.

Individuals who wish to pay by credit card may contact the secretary treasurer to make those arrangements.

Bank Drafts should be made payable to:

[Caribbean Association of Pharmacists](http://www.caribbeanassociationofpharmacists.org)
